Dear Flathead County Residents and Taxpayers:

This is my second year as Flathead County Superintendent of Schools, and I have enjoyed the transition from Fulltime Superintendent at West Valley School District the previous 10 years. This position allows me to use my 34 years in education to help districts throughout the Flathead Valley in a multitude of ways. My wife and I moved here 13 years ago from North Idaho, and we have enjoyed our time in the Flathead Valley, taking advantage of all the valley has to offer.

All the school districts in the Flathead Valley have done a great job of educating the kids of the Flathead Valley and should be commended for the great work they do every day! While no district is perfect, they work hard every day to make sure students are getting the education they need for 21<sup>st</sup> century work skills they will need to be successful no matter the path they take.

Flathead Valley has 23 awesome public-school districts where teachers are preparing students for college, trade schools, military and for the 21<sup>st</sup> century work force. I want to thank the 100's of teachers, administrators and support staff who work tirelessly to provide a quality education for the students in their schools. I can honestly say we have some of the best schools not only in the state of Montana, but throughout the nation.

Each year the County Superintendent's Office collects and compiles data from our schools, so that citizens can have the information regarding budgets and student enrollment for each of the public schools in the Flathead Valley. We take data from the prior school year's financial report (2023-24) and the current school year's budget (2024-25), as well as the fall (October 2024) enrollment count. This report is also available on the County Superintendent of Schools' website.

<http://flathead.mt.gov/schools>.

This document would not be possible without the hard work of Cheryl Morgan, Finance Technician and Michael Zenz, Administrative Assistant, organizing and compiling the data and keeping the office running smoothly. I cannot thank them both enough for the great work they do every day!

Sincerely,

*Cal Ketchum, Superintendent; Cheryl Morgan, Finance; Michael Zenz, Administrative Assistant*
